My apologies again for the poor standard of guessing on my part.

As we only hand out one prize per competitor then where the champion is also the handicap winner the handicap trophy passes to the person who came in second on the handicap chart.

Just as well for the Richardsons or they would need a wheelbarrow to carry their trophies home.

I will try to maintain the year long averages again this year to perhaps bring the handicapping back from cloud cuckoo land to somewhere near reality.

However it was good to see so many of you out getting a taste of Pete Jones new map of Bishops Wood.
