I have put provisional venues and organisers in the list, but if anyone else would like to have a go at running one of our street events, please get in touch - I'm sure the 'regulars' would like a break. If you would like a go, but are uncertain what is involved, one of the regulars will be pleased to help you.

These are night events, so you must bring appropriate kit and apply common sense. Runners are advised to pair up, juniors must be accompanied, high visibility kit and a watch are obligatory.

What you need:

Entry Fee: WREKIN £1.00 , non members £ 2.00 , juniors 50p.

Kit: Watch, torch, pen, poly-bag for map, mobile phone (or mate), high visibility top layer.
