My apologies again for some mediocre guessing on my part.

As we only hand out one prize per competitor then where the champion is also the handicap winner the handicap trophy passes to the person who came in second on the handicap chart.

For some reason the senior Ladies all ran the open this year, and as it happens apart from Sharron they provided the closest handicapping.

I did maintain the year long averages again, but I also took the recent Ercall event into consideration as it does pose its own particular problems, a few more than usual this time for some. Those of you who ran out of one of your possible handicap classes will not appear on these lists but your results are still posted as normal on the website.

**Thanks must go to Peter Jones for planning some well thought out tough courses, and for spending a very wet Saturday pm putting out controls to ensure your enjoyment**

Happy Christmas to you all

Brian
