

Deductions

Name	wrong controls	points deducted
John Riley	103, 112	20
Beryl Pay	103	10
Callum Dodd	103, 105 121 twice	20 40 total 60
Andy Clough	121	20
Clive Richardson	121	20
Paul Hill	118 121	10 20 total 30
Tony Callow	121	20

I deleted the incorrect controls, then deducted the appropriate points, so the incorrect controls don't show on the splits.

121 does not show on the splits as none of you should have punched it!

I was a little concerned that I would be penalising the novices, but they have just shown that mostly they are more careful map readers than you experienced guys!
