A Great turn out which makes all the hard work well worthwhile. Lots of new faces. I hope everyone enjoyed their evening. We had to go back to the old style of cards and punches as we were in the Telford Town Park! Surprisingly all controls were collected from their correct places although No 9 went on a walk about but was found later, without its punch. I gave everyone a point for this control which only seemed fair. I would like to thank everyone for their help and support especially Dave Deakin for his help in setting up the event, car park duty! and helping to collect in the controls at the end. See you all at Cardingmill Valley Church Stretton on the 21st June for some more fun. Paul Hill
