bit was.....actually I think it was the swallows at Fordhall Farm nesting in the registration shed !
successful and very enjoyable series
and a few volunteers running more than one session (this year Mike Price, John + Liz Riley, + Mike Callo
5 a week (last year it was approx 200,750,40 with one more event)
now regulars, and lots of new memberships. Result !
one or two tried to dodge the 8pm curfew)

and in this list of addicts
after a month) give yourself a pat on the back. Some future stars of the sport have been discovered
heavily (my event of course !! - happens every year ! I have a cunning plan involving not planning and
the weather or venue, is brilliant.

Cardingmill were narrowly beaten by our most central venue of Attingham Park, with top attendance of
Edall (Concord College), Mike Price (Fordhall Farm) and Andy Clough (Walford college) for getting these

partly because of its flexibility
that includes the volunteers running the events for you - it has to work for them too or they don't bother.
The flag placing are all reducing as people get more experience at the different jobs.
the sport, with some amazing cleanup times.

volunteer for various roles next year if you want the same number of high quality weekly runs
needed to do below.
check control sites and map, 1 hr OCAD or paper doodling of courses, 1 hr collect and sort kit and maps
i/c registration and flag collection. Also i/c posters and fliers
registration and to ensure cover for other jobs so that the club coaches can do more coaching
, so this is clearly a very important and well rewarded role

Also. Last off site. (will usually get a run if cover organised)
and hopefully we'll have some others doing the course soon so they can have a break.

other, but it's still hit and miss pre-event. Assistants will be expected to oversee local advertising (placing
adverts in the Shropshire Star. If it's with a good action shot it gets in. Getting these shots is crucial to raising
I requires some perseverance, probably sacrificing a run, and a good digital camera.
bring one, and when I do, often forget to use it, so have fired myself from this job
again it's a job that needs doing and takes about an hour a week

med planner / first aider and coach each week have their travel costs covered and actually claim them
to provide summer refreshments on weeks when a suitable pub has not been located.
These volunteers are reimbursed for fuel costs (to a staggering 50p for juniors.....and 50p for SI dibber hire)
to assist with our weekly press waffle, provided everyone registers their full details correctly and s
pped ready for use by club volunteers.
cake.....may have to re-think that one !.....cake for helpers only ???.....just for the coach ??)

w) did a massive amount to help the series function.

y of them next year)

63 runners
going

s, 1hr place flags and boxes, 1hr computing results)

| posters in local shops and on village hall noticeboards)
awarenes of the sport and club

)
someone volunteers to compile one
