

Bridgnorth Street O October 12th 45 minute Score Event

Thank you all for coming - it made trundling up and down the several steps surveying worth while. Bridgnorth is quite tricky as some of you found out. It might be worth identifying the Low Town controls in a separate block of numbers- what do you think? Though I'm sure you soon worked out if the control you were heading for might be at the bottom of a very steep slope!

A quick survey of which controls got most visits:-

1-6,2-6,3-4,5-1,6-1,7-2,8-3,9-3,10-4,11-2,12-5,13-6,14-5,15-1,16-1,17-2,18-1,19-1,20-3,21-2,22-3,24-7,25-6,26-10,27-12,28-11,29-9,30-10,31-9,32-10,33-10,34-8,35-8,36-6,37-5,38-2,39-3,40-4,41-4,42-8,43-6,44-6,45-7,46-7,47-6,48-5,49-5,50-12

Results. Penalties were -1 point for each 30 seconds late. Quite harsh really, but we won't want to be hanging about in November and December evenings will we.

Beryl Pay 13 on time (includes a +1 honesty bonus for not writing down the number of her house- control 18) ; Pam Sherwin 14 on time;

Diane Jacks 21 on time

Cherry and Gemma Hill 11 on time; Richard Lewis 20 on time;

Dave Gittus 14 on time (but not on his bike this time!)

Tom Lewis 30 on time (Just!); Mike Price 17 On time;

Paul Hill 25 on time (but not allowed to go to the pub as he was steaming too much!); Jill Leventon 21 on time (includes a +1 bonus for spotting that the path down was 49 and not 46 as printed. And she bought drinks in The Bear- thanks Jill); Robert Vickers 22 on time;

Jeb Lewis 31 but 4 mins late = -8 so 23) both victims of Steve Parker 38 (massive), but 8 mins late = -16 so 22) the tough time penalty - but they got plenty of training in.

We might hold a re match of this at some future date, so you can start plotting your routes now!

Mike C
